Jewelry must be removed and may not be taped over. (Exception: medical ID tags/bracelets, and uniform rhinestones. Rhinestones are illegal when adhered to the skin as opposed to a uniform. Any uniform piece purposefully removed from the body and used for visual effect will be considered a prop.
10. Casts that are hard and unyielding or have rough edges must be appropriately covered with a padded material. Clarification: The appropriately padded material

- must be such that it protects both the athlete and fellow athletes from injury.

 12. Required spotters for all levels must be your own team's members.
 13. Drops including but not limited to knee, seat, thigh, front, back, and split drops from a jump, stunt, or inverted position are prohibited unless the majority of the weight is first borne on the hands/feet, which breaks the impact of the drop. Shushinovs are allowed.

INTERRUPTION OF PERFORMANCE:

Injury

The Legality Judge reserves the right to stop a routine due to an obvious injury. The team will have 15 minutes to regroup before performing their routine again. Judging will resume from the point at which the injury/interruption occurred as determined by the judges.

Uniform Distractions

The Legality Judge or Head Judge reserves the right to stop a routine due to a uniform distraction (e.g., garment not being securely fastened/attached, straps break, pants spit, etc.) Each performer is required to take the necessary steps to avoid inappropriate exposure (leave performance floor or adjust uniform which will result in a deduction of a Major Mistake and/or Safety Guideline infraction assessable from a .1 to a .5 deduction depending on the amount of distraction, if a

judge stops the routine the penalty will be .5). In the event that the Legality or Head Judge stops a routine due to a uniform distraction the team will have 15 minutes to regroup before performing their routine. Judging will resume from the point at which the distraction occurred as determined by the judges.

Music

In the event a technical error causes a team's music to be interrupted, the coach/director will have the opportunity to stop the performance and begin again immediately. It is recommended that coaches/directors have a backup CD/tape with them at the music table. Judging and timing will resume from the point at which the malfunction occurred as determined by the judges. In the event a music error caused by the coach/director occurs, the performance may be stopped and begun again immediately; however, timing of the routine will NOT be stopped, and, in most cases, a time penalty will occur. Judging will resume from the point at which the interruption occurred as determined by the judges.
